Tear down 11:30 12:30 6 men to haul remaining goods to one spot for haul off by Vets, break down tables and return to storage.

Materials

- Orange cones and yellow security tape

Stands to be built

(2) 2ft x 2ft banner stands to be built from 3 or 4 inch pvc pipe. A cross member to be inserted so a 5ft pvc pipe could be inserted. The 5 ft pipe would be the support for one side of a Rummage Sale Banner. We would place this banner on the corner of Reina and Allan Rd. We might need a sandbag for each side. We do not need any threading. They should be easily pulled apart for storage.

LMF appreciates the assistance of the KOC. We are one family! Thank you
